Dear Board of State Prison Commissioners:

I see that NDOC now understands more about Title II. I still have much more to do with Warden Isidro Baca and NDOC for violating my civil rights as a qualified individual with a disability. (Hint: local government agency )

I would like the three of you to know that the transport van will be where I start proving the disabled are discriminated against by NDOC.

Operations will be with that complaint to show and prove that Lt. Smith and Seargent Crowder and the two transport drivers for not strip searching me.

Unit 7A/B and Unit 8 RMF have to be in the same complaint. I am sure you know I filed complaints with DOJ on all three of those facilities.

US DOJ will now hear how the State of Nevada Parole and Probation Offices are not ADA compliant. I will start with the office here in Fallon, Nevada. I have a letter from the Chief lying to me by saying it is ADA complaint.

Governor Brian Sandoval will have an opportunity someday to tell why Mr. Herbert S Olson is so upset with him.  
( MCI DRUG CHECKPOINTS )

Sincerely Yours,

Herbert S Olson
